RESPONSE TO EXAMINER INTERVIEW

Dear Commissioner:

On April 1, 2004, the U.S. Patent and Trademark Office issued a Patent Application Publication, Publication No. US-2004-0063551-A1 dated April 1, 2004. In this April 1, 2004 Patent Application Publication, the correspondence address was listed as: Woodling, Krost & Rust, 530 National City East 6th Bldg., Cleveland, OH 44114 (US) (see attached #1). This address has been invalid for over ten years.

The Official Filing Receipt dated February 2, 2004 and the Notice of Publication for the above application were sent to applicant's correct mailing address, namely, 32600 Fairmount Blvd. Suite 100, Pepper Pike, OH 44124 (see attached #2 and #3, respectively).

In this current application, as in its parent application (now U.S. Patent 6,626,805), the USPTO has been communicating with applicant, William S. Lightbody, at: Lightbody Law Office, 32600 Fairmount Blvd., Atrium Suite 100, Pepper Pike, OH 44124 (US). It is believed that the USPTO should continue to use this address.

Favorable action is solicited.

Respectfully submitted,

William Lightbody

Receipt is acknowledged of this regular Patent Application. It will be considered in its order and you will be notified as to the results of the examination. Be sure to provide the U.S. APPLICATION NUMBER, FILING DATE, NAME OF APPLICANT, and TITLE OF INVENTION when inquiring about this application. Fees transmitted by check or draft are subject to collection. Please verify the accuracy of the data presented on this receipt. **If an error is noted on this Filing Receipt, please write to the Office of Initial Patent Examination's Filing Receipt Corrections, facsimile number 703-746-9195. Please provide a copy of this Filing Receipt with the changes noted thereon. If you received a "Notice to File Missing Parts" for this application, please submit any corrections to this Filing Receipt with your reply to the Notice. When the USPTO processes the reply to the Notice, the USPTO will generate another Filing Receipt incorporating the requested corrections (if appropriate).**

NOTICE OF PUBLICATION OF APPLICATION

The above-identified application will be electronically published as a patent application publication pursuant to 37 CFR 1.211, et seq. The patent application publication number and publication date are set forth above.

The publication may be accessed through the USPTO's publicly available Searchable Databases via the Internet at www.uspto.gov. The direct link to access the publication is currently <http://www.uspto.gov/patft/>.

The publication process established by the Office does not provide for mailing a copy of the publication to applicant. A copy of the publication may be obtained from the Office upon payment of the appropriate fee set forth in 37 CFR 1.19(a)(1). Orders for copies of patent application publications are handled by the USPTO's Office of Public Records. The Office of Public Records can be reached by telephone at (703) 308-9726 or (800) 972-6382, by facsimile at (703) 305-8759, by mail addressed to the United States Patent and Trademark Office, Office of Public Records, Alexandria, VA 22313-1450 or via the Internet.

In addition, information on the status of the application, including the mailing date of Office actions and the dates of receipt of correspondence filed in the Office, may also be accessed via the Internet through the Patent Electronic Business Center at www.uspto.gov using the public side of the Patent Application Information and Retrieval (PAIR) system. The direct link to access this status information is currently <http://pair.uspto.gov/>. Prior to publication, such status information is confidential and may only be obtained by applicant using the private side of PAIR.

Further assistance in electronically accessing the publication, or about PAIR, is available by calling the Patent Electronic Business Center at (703) 305-3028.
